GENERAL INFORMATION

Claims presented against CMIC will be reviewed by the Liquidator in accordance with Missouri Statute § 375.1214. The Liquidator shall either approve the claim as filed or shall deny the claim in whole or in part. A written notice of approval or denial in whole or in part shall be given to the claimant or counsel. When all claims against the company are liquidated and approved by the Court, claims will be paid based on available general assets. The amount of payment will depend on the percentage of total assets to total claims in each particular claims class. The Liquidator may estimate the percentage that may be paid on claims and may make distributions based on that estimate. The Liquidator will not know the final percent that can be paid on any individual claim until all claims are liquidated and all assets are converted to cash. This process may take several months after the deadline for filing claims has passed.

The Liquidator's acceptance of this Proof of Claim form is not intended to nor does it constitute any waiver or relinquishment by the Liquidator of any defense, setoff or counterclaim that he or she may have against any person, entity or governmental agency.
